

June 2015 Library News and Events

Everything you want to know, at your fingertips...online research, real time tutoring with real people, and job skills training too.

Volume 2, Issue 3

[Jemez Springs Public Library Catalog](#) has some of the best FREE online learning and research tools available: NoveList for finding great reads by authors similar to your favorites; Learning Express to find jobs, study for all kinds of professional tests, GED, even math and reading courses for 4th graders on up. The NM State Library El Portal now offers not only thousands of magazines and newspapers online but also a brand new service called [Brainfuse](#) with live online tutors and live writing help for adult job seekers too. Even though we're a long way from the big city, we offer a world of the best resources online. Learn a language (or 63!) online with Mango Languages or find out the best herbal supplement for all kinds of conditions with Natural Standard. Too much to think about? Come by and we can help you find what you want to know. All of this is available from home too 24/7...you just need your library card and password.

The world online at your fingertips!
